### 2005 AGM Continued...

As you can see, there are a number of positions that remain unappointed. In particular, we have 3 spots on the Management Committee that need to be filled, including a Club Administrator.

If there is anyone that would like to nominate for any of the vacancies, including the non-management spots, please contact Troy Jamieson. Troy is happy to speak to anyone that has questions or concerns.

It is also noted that at the AGM, we raised the point as to whether we should drop our requirement for a quorum – 3 out of the last 4 years we have not had a quorum. Currently it stands at 50% of voting members. It has been suggested that we drop it to 40%, which would have allowed us to hold the AGM at the scheduled time every year for the last 4 years. Don Henderson raised a point that in order to do this, we should look at holding a Special General Meeting mid-season, so that we can have it in place by the AGM next year.

Watch the newsletter, website, email and postal mailboxes for more information on this, or contact the Management Committee if you would like input.

### A word for one of our sponsors...

SGIC is a major sponsor of Surf Life Saving South Australia, and it's interstate counterparts are sponsors of Surf Life Saving Australia.

SGIC continually provide numerous grants and sponsorships to the clubs, as well as generous donations of equipment. Patrolling members will be well used to setting up the SGIC patrol surrounds each and every beach patrol during the summer, as well as using the rescue board donated to the club.

Recently, we applied for two grants from them. I am pleased to report that we were successful in one application. Sponsored by SGIC, the club will be able to obtain a OP Airway Training Manikin, which will enable Advanced Resuscitation Certificate squads to train much more effectively.

We thank SGIC for their continual support of Surf Life Saving, and look forward to a positive future with them.

### Who Is The Phantom ... ?

Shock! Horror! *The Phantom* has returned. Who has been exposed, congratulated, or rumored about this time round? For the report, you are going to have to visit the Phantom's corner of the website.

### SLSA Australian Championships 2006

The 2006 Australian Surf Life Saving Championships are to be held at Kurrawa Beach (Qld), March 28<sup>th</sup> to April 2<sup>nd</sup> 2006. For those not aware, this will be the 10<sup>th</sup> year that the event has been hosted at Kurrawa Beach – And it is also the last. From 2007, the event is being moved to Western Australia.

What does this mean? It means that this will undoubtedly be the biggest event held in Queensland for Surf Life Saving, and we are all invited.

Troy Jamieson would like to see North Haven make a decent trip out of this, and encourages as many members to make the trip as possible, even if it is only as a spectator and team supporter. To ensure that we can book as many people in as possible, Elaine Farmer would like names along with a **\$100 non-refundable deposit by the 31<sup>st</sup> of August.**

Full details on the event will be circulated to those who put their names down and pay a deposit when the time comes closer. If you have any further questions, Troy is more than happy to speak to you on it.

### Quiz Night 2005

Here's your chance to prove just who knows what. Can we finally prove to Oz that us *LeFevre-erns* are smarter than those who come from the land of *Taperoo High*? Are Crows supporters really better than Port, or do they just think they are?

# Northern Exposure

Either way, you're going to need to be at the club Quiz Night 2005. To be held on Saturday the 27<sup>th</sup> of August, there will be a extravaganza of questions to tease our minds.

Members are promised an evening of Door Prizes, Table Prizes, Bar Prizes and Prizes Prizes. Along with the quiz questions, there will be various raffles games and challenges on the night, so bring some loose change.

It's on Saturday 27<sup>th</sup>, starting at 7pm sharp – Late comers will be penalized in a way Shane can describe. BYO supper. For those who couldn't answer a quiz if their life depended on it, the bar will be open as per usual.

Bookings essential, and we're filling up fast. Contact Shane and Paula (0427 447 849), or Brett (0409 671 716) for more information.

## SLSSA Patrol Inspections

As all our patrolling members would be aware, every year the club is subject to 3 patrol inspections (or 'raids') by officials from State Centre. During these inspections, clubs accumulate points, and at the end of the season, the top ranking clubs are rewarded for their efforts. I am pleased to announce that at the conclusion of the inspections, North Haven finished 5th. Job well done to all patrol members

### **HOWEVER!!!!**

During the course of the season, the club made two significant breaches of our patrol agreement.

The first breach was on Christmas Day. According to our patrol agreement, we are required to maintain a voluntary patrol between the hours of 2pm and 5pm. As a result of lack of communication, we did not have numbers to patrol for the full 3 hours and our patrol signed off with Surf Command at 4:30pm.

The second breach was on March 25th. Our club was signed on as a full patrol at 1pm (this is the time we are required to be on patrol). At this point, we had only 2 patrol members on patrol and signed the patrol log. The 3rd patrol member signed on at 2pm. As members should be aware, a full patrol requires a minimum of 3 Bronze Medallion holders (2 of which are to be experienced). The lack of patrol members for the first hour constituted this breach.

As a result of these breaches, the club was issued a penalty. The appropriate members of the Management Committee and Officers decided to take the penalty of 400 points being deducted from our patrol inspections (200 per breach), rather than take the issue to a State Patrol Tribunal.

As a result of this penalty, our club dropped from the overall standing of 5th to 14th. This is a very disappointing result, as our club last year finished 3rd for patrol inspections. We have received this penalty for minor, yet serious breaches of our patrol agreement. Members need to remember that we are a surf life saving club, and if we can not effectively patrol the beach, then the entire reason for the existence of this club is put into doubt.

An important point to remember for Season 2005/06 is that we need to be on top of our patrols, remember to fulfill our patrol agreement, and if there are any

questions as to our patrols, patrol captains need to contact and seek advice from the Captain of Patrols or the Captain of Life Saving, even if it means ringing them at 12:50 on a Sunday afternoon and telling them that we only have 2 members present for patrol.

## Club History Boards & Media Boards

The club history boards have a few gaps in them. Primarily these gaps are for people that have won internal club competitions. If anyone believes that their name is missing from a spot on the board, please get in touch with David Lucas with the relevant details, and any supporting documentation you may have.

We will arrange for the details to be added when the next opportunity arises.

We are also looking at finishing off the work that Don "Bullet" Henderson started with the large board full of a collection of old articles and photos of the club, as well as starting a new one with recent articles and photos. If anyone has any photos, news clippings, or other print material that they would like to donate to the club display, again please contact David.

David can be emailed at [d\\_lucas@bigpond.net.au](mailto:d_lucas@bigpond.net.au) or telephone 0414 853 018.

## Surf Life Saving at the Royal Show

Surf Life Saving SA, in conjunction with Westpac and Channel Seven, is going to have a major presence at the Royal Adelaide Show (September 2<sup>nd</sup> to September 10<sup>th</sup>). There is an opportunity for members from all lifesaving clubs to assist with the stand, promoting SLSSA, and giving the public a chance to get up close and touch our new Westpac Shark Patrol Helicopter.

Volunteers will be given free passes to the show grounds, and on a roster to work at the stand between 9 and 2, or 2 and 7. We also have the opportunity to collect money at the gates on the Sunday (Father's Day), and there is a call for up to 50 volunteers on this day.

**IF YOU WOULD LIKE MORE INFORMATION OR TO VOLUNTEER, PLEASE CONTACT DAVID LUCAS ASAP:
